BAR OPTIONS & DRINK PACKAGES

The OUTTA SPACE offers several drink packages to suit your needs. If you're unsure about purchasing a package, here are some options:

CASH BAR: Your guests pay for their own drinks. This can be combined with a drink package as well if you'd like to offer certain beverages for a certain period of time before going to cash bar.

RUN A TAB: In this case, a running total of drinks is kept at the bar and you pay the tab at the end of the party. This is a good option if you have some guests who don't drink and some who do and you don't want to limit selection.

FOR THE CASH BAR AND TAB OPTIONS: We do require a minimum of \$10 per person on weeknights, \$15 per person on Friday and Saturday nights.

DRINK PACKAGES: The packages listed below are popular choices for individuals and groups who want to project and control their costs.

PLEASE NOTE: The minimum party time is four hours if using drink packages.
